Multifak® EP
Specialty Industrial Grease

Product features:
Multipurpose EP grease contains highly refined mineral base oils, lithium thickener, extreme pressure (EP) additives and rust and oxidation inhibitors. Suitable as a multipurpose automotive grease for general purpose applications.

Customer benefits

• Protects metal surfaces
Effective EP additive protects against component wear under high load conditions. Rust and corrosion inhibitors protect metal surfaces.

• Resist oxidation
Formulated with antioxidants to resist oxidation to enhance grease service life.

• Good pumpability
Good pumpability characteristics of the lithium thickener provide suitable flow properties for grease pump application systems (NLGI 2).

• Reduces complexity
Multipurpose capability allows use in a wide range of industrial and automotive applications reducing the number of different greases required and eliminating product misapplication.

Applications

Can include;
• Industrial plain and rolling element bearings
• General plant lubrication
• Centralized lubrication systems (NLGI 0 & 1)
• Construction equipment bearings
• Earthmoving, quarrying and mining
• Agricultural equipment
• Automotive wheel bearings
• Chassis grease point lubrication

Usable temperature range in continuous service is:

• NLGI 1 -30 to 130°C
• NLGI 2 -30 to 130°C
• NLGI 3 -20 to 130°C

Maximum temperature for short term exposure is 160°C (NLGI 1, 2 and 3), with frequent rebrication.
Performance standards

- NLGI Service Category LB (Multifak EP 2)
- Volvo Approval 97718 (Multifak EP 2)
- MAN 283 Li-P2 (Multifak EP 2)

This bulletin was prepared in good faith from the best information available at the time of issue. While the values and characteristics are considered representative, some variation, not affecting performance, can be expected. It is the responsibility of the user to ensure that the products are used in the applications for which they are intended.

Environment, Health and Safety Information is available on this product in the Material Safety Data Sheet (MSDS) and Customer Safety Guide. Customers are encouraged to review this information, follow precautions and comply with laws and regulations concerning product use and disposal. To obtain a MSDS for this product, visit www.calte克斯 oils.com.
